

DONALDSON - FILTER WARRANTY

OEM QUALITY - ENGINE AFTERMARKET FILTER WARRANTY

DONALDSON WARRANTY ON YOUR REPLACEMENT FILTERS

You can always choose top-quality Donaldson filters designed specifically for your engines and equipment, and as long as you change the filters according to the engine manufacturer's recommendations Donaldson filters will not void your engine manufacturer's warranty

EUROPEAN BLOCK EXEMPTION

The EC Block Exemption Regulation (BER) gives motorists for on-road vehicles the flexibility to select where they can get their on-road vehicles serviced. The BER also covers service and maintenance during the warranty period.

Donaldson Engine Aftermarket Warranty

1. Warranty against failure due to defects in materials and workmanship for the period specified under Terms and Conditions for the particular product.
2. Warranty covers replacing the failed product, including transportation charges, only. If the Donaldson product failure is the sole and direct cause of damage to the equipment on which the product was properly installed, Donaldson will reimburse reasonable costs to restore the equipment to the condition it was in immediately before the failure.
3. Warranty does not cover failure due to misapplication, misuse, abuse, neglect, rust through and corrosion (mufflers), improper service practices or non-Donaldson approved modifications. Engine and equipment manufacturers' warranties remain in effect when Donaldson products are used.
4. Donaldson must be notified in writing of any claims covered by this warranty within one year of the date of failure. Donaldson, at its discretion, will either physically visit the site where the alleged failure has been found or, request that all parts, Donaldson and other relevant parts, be shipped prepaid to its General Office, in care of the Product Lab or as otherwise specified.

Terms & Conditions

Warranty coverage begins at the date of installation to the original end-user, and expires after the indicated period or kilometres, whichever occurs first.
